

2009 Internet Marketing Strategy Workshop

Jan. 22nd 2009 - 11:00 a.m. to 12:30 p.m.

The Tech Center Conference Room, followed
by lunch at Kincaids on the Redondo Pier.

You're invited to attend Millennium Marketing's Internet Marketing Strategy. The online workshop will include client presentations and real-time analysis.

- How your company can be on the front page of Search Engines .
- How to track and analyze the results from your web site traffic.
- How to choose and manage the mix of natural Search Engine Optimization (SEO) results, Sponsored Results (PPC) and the right Business Directories (VSE).

- Meet with business owners with similar challenges and share ideas.
- Senior programmers and information architects available to answer your questions on what is cost-effective and what provides the best ROI.
- Bring a laptop if you wish to go online, 1 on 1, with our staff and improve your company's results and presence on the Internet.

Please RSVP to John Diethelm (310-683-6511).

This is a VIP group of senior executives limited to 30 people.
