

"Got Google 2010"

January 28th, 2010 - 11:00 a.m. to 12:30 p.m.
The Tech Center Conference Room, Redondo Beach

You're invited to attend a workshop on Internet Marketing Strategy

- How your company can be on the front page of Search Engines.
- How to track and analyze the results from your web site traffic and the cost per click of each expenditure
- How to choose and manage the mix of natural Search Engine Optimization (SEO) results, Sponsored Results (PPC) and the right Business Directories (VSE) to give a maximum ROI..
- Cut the right cost. Cut marketing programs not delivering good R.O.I. Make the transition from old media to new media.

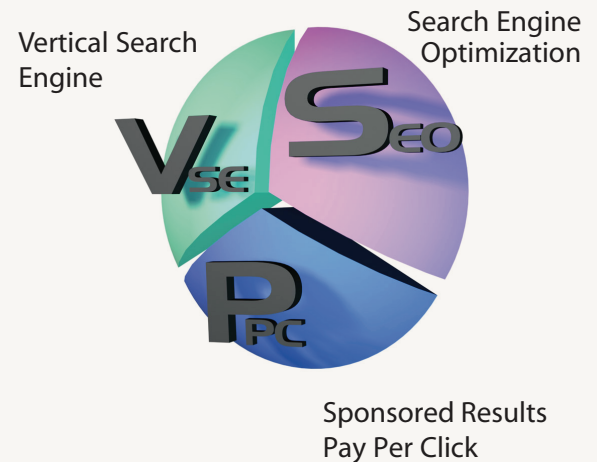

Please RSVP to John Diethelm (310-683-6511).
Senior executives limited to 30 people.
